A quintessential Cotswold cottage in a pretty village

Description

Dairy Cottage is a stunning semi-detached Grade II Listed village house, beautifully positioned in the heart of the Cotswolds. Fabulously renovated with great care and attention to detail, the house has been thoughtfully designed to create welcoming living spaces and cosy corners throughout.

The accommodation flows beautifully, with an abundance of natural light enhancing the sense of space and warmth. The owners have taken great care to retain many of the property's beautiful original features, including timber floors, exposed beams, charming window seats and characterful inglenook fireplaces. The result is a wonderfully inviting home that combines timeless Cotswold character with a relaxed, contemporary feel.

The sitting room and dining area, complete with a wood burner, create a wonderfully welcoming family space. Ideal for everyday living, it also provides an excellent setting for entertaining family and friends.

The adjacent kitchen overlooks the rear garden and offers plenty of worktop and storage space. An electric Aga adds extra warmth and character during the colder months.

The conservatory is currently used as a dining room and doubles as a beautiful garden room, with French doors creating a seamless connection between the house and garden and making it ideal for indoor/outdoor living. It leads through to the cosy snug, complete with a wood burner — the perfect room for family movie nights.

To the other side of the entrance hall, the fabulous living room features an attractive inglenook fireplace with wood burner, together with a large window and window seat overlooking the front garden. This is a lovely room in which to relax with a good book after a day exploring the surrounding countryside.

The utility room keeps piles of washing neatly out of sight and is particularly useful for muddy wellies after a country walk.

Upstairs, there are five bedrooms and three bathrooms. All the bedrooms have been beautifully curated, with an abundance of natural light and pretty views over the gardens. There is also plenty of storage space.

The annex offers versatile additional living accommodation and has been superbly laid out, with a bedroom, bathroom and separate dressing area.

Outside, the front and rear gardens provide a stunning haven of peace and tranquillity. They are predominantly laid to lawn, with the rear garden offering a wonderfully serene setting, complete with a pond and open views across the neighbouring fields. The front garden is interspersed with colourful herbaceous borders, while the terrace is ideal for summer sundowners and al fresco dining.

A garden store sits to the side of the annex, while the driveway provides ample parking and benefits from an EV charger.
