## AN IMPRESSIVE & EXCEPTIONAL COTSWOLD COUNTRY HOUSE

### DESCRIPTION

Mere Park is an exceptional Queen Anne style Country House. Built around seven years ago and to a very high standard, this is a welcoming and generously proportioned home, ideal for both family life and entertaining. Set in a rural location on the outskirts of Fairford, this is a peaceful home with superb contemporary living. The house flows beautifully and has been thoughtfully created to offer spacious yet well connected living accommodation.

Architecturally designed, Mere Park has been carefully crafted to exhibit exceptional features and highlight the brightness of the home, which is enhanced not only by the numerous sash windows but also by the spectacular roof lantern basking each floor with natural light, making the

stairwell with its hand-crafted banisters an impressive focal point of this home.

Upon entering Mere Park via an impressive tree lined gravel driveway, one is immediately struck by the scale and beauty of the property. The stone pillared porch invites one in to a grand entrance hall with stunning Bahia natural stone flooring. The attention to detail throughout the house is outstanding and evident within moments of arriving. All the reception rooms are light and beautifully proportioned with the drawing and dining rooms being wonderful entertaining spaces, both with doors leading to the gardens and a dining terrace overlooking the garden with wonderful views. The snug, also used as a playroom, with its jet master open fireplace is a comfortable room for relaxing. Across the hallway is the bright,

spacious and well-appointed bespoke kitchen by Steven James Kitchens, with a beautiful orangery dining area overlooking the garden. On the ground floor there is also a study and cloakroom.

The principal bedroom suites are located on the first floor. The master suite encompasses a generous bedroom and two ample dressing rooms, each with en suite bath/shower rooms and beautiful sash and casement windows which bathe the rooms in natural light. There are three further double bedrooms on this floor, all with en suite shower rooms and built in wardrobes.

The second floor has three spacious double bedrooms, a family bathroom and a spectacular games/entertainment room. The adjacent second kitchen is a useful addition to this floor making the

space perfect for staff accommodation.

On the lower ground floor there is a gym with separate shower room, plant rooms, utility room and wine store.

The house is nestled in a delightful parkland setting with paddocks and a separate garden area, perfect for entertaining, with a delightful play area for children. The garden is predominantly laid to lawn and interspersed with a variety of mature specimen trees and herbaceous borders. There is a useful bothy, a triple garage to the rear of the property and plenty of parking. Thoughtful lighting in the gardens and grounds creates an enchanting nocturnal setting, emphasising Mere Park's beauty and elegance.

Land: 5.242 ha (12.95 acres).
